

I am respectfully submitting that, I am saying at a meeting of the Board on 30th June 2010 the acting General Manager reported after the Infrastructure Committee agreed and Cabinet agreed, that National Housing Corporation should go ahead and negotiate the 40 Million dollars and then Ministry of Housing and Lands went back to Cabinet and got the approval for a draw down of 10 Million dollars to utilize on these projects the General Manager reported to the Board that the 10 Million dollars was accepted as a draw down and that multiple small contractors would be utilized on these projects at Parish Land, Lancaster 1 and Lancaster 2 in the presence of the Chairman.
